NCBI Gene Predictions for goat(ARS1)

Ensembl Gene Predictions for goat(ARS1)

Vert. Cons (phastCons)

Vertebrate Conservation by phastCons, converted from human data on the UCSC Genome Browser website.

Vert. Ei (phastCons)

Vertebrate Conserved Elements, converted from human data on the UCSC Genome Browser website.

Ruminantia\_phastCons

51 Ruminantia Basewise Conservation by phastCons

Multiz alignments of 78 ruminants and 32 outgroup species

Table with columns for species (e.g., wildGoat, siberianIbex, mountainGoat, etc.) and rows for sequence alignments (Gaps, A, C, G, T) across the genomic region.
